

# Welcome to the Second Floral and Nursery Crops Researchers Workshop

June 12-15, 2006

Doubletree Hotel and Executive  
Meeting Center – Lloyd Center  
Portland, Oregon

Presented by the  
USDA Agricultural Research Service,  
the American Nursery and Landscape  
Association, and  
the Society of American Florists

The background of the slide is a light green collage of various botanical illustrations and photographs. It includes a red flower in the top right, a succulent in the bottom right, a yellow flower in the bottom center, and various other plants and leaves scattered throughout. The text is centered in the upper half of the slide.

# Second Floral and Nursery Crops Researchers Workshop Dinner Agenda, June 12, 2006

- Introductions and Welcome
- Dinner
- The Floriculture and Nursery Research Initiative — [A Brief Background](#)
- [Overview of Workshop](#) and its Goals;  
Questions & Answers

The background of the slide is a collage of various botanical illustrations. It includes a red flower in the top right, a green succulent in the bottom right, a purple flower in the bottom center, and several other plants and flowers scattered throughout. The illustrations are in various colors and styles, some appearing to be from old books.
